

Established in 1921, the Victoria Horticultural Society is a non-profit society. All activities are run by volunteers from the membership. The society is dedicated to:

- collecting and diffusing information on all matters relating to horticulture
- stimulating the knowledge and love of horticulture
- co-operating and/or affiliating with other horticultural organizations

#### **Affiliations**

The VHS is affiliated with:

- British Columbia Council of Garden Clubs
- Garden Clubs of Canada
- Royal Horticultural Society (Britain)
